

## Issues Affecting Whales

Name of group members: \_\_\_\_\_

1. What is the issue you researched?
2. How did you find your information? Do you think it is reliable information? Why or why not?
3. Write a paragraph describing how your issue affects whales positively or negatively?
4. Make a poster or collage to demonstrate your issue affecting whales.
5. Your group will be asked to give a five minute presentation on this topic and a description of your poster. Decide what each person in your group will say and make notecards. Practice.
